6. Select "My Tools"

7. Then in the user name and password field, use what was on the previous screens depending on your user role. **Please do not save the passwords or try to change them!**

The screenshot shows a login form with the following elements:

- A heading: "Please enter your email address and password to sign in."
- A label "Username or Email Address:" followed by a text input field containing "ctrain06".
- A label "Password:" followed by a password input field containing ".....".
- A blue "Login" button.
- Text below the button: "If you have not registered, you may [sign up](#)."
- Text below that: "If you have forgotten your password, you may [reset it](#)."

8. This should bring you into the sandbox! (In the upper right corner, you should see the username you logged into the sandbox with (ctrain06, ctrain30 or ctrain40)).
